**1961 Norton Model 50
FOR SALE**

Engine Size: **350cc**

£6,450

1959 Norton Model 50 350cc. With its original engine, looks to be an older restoration as the condition is very good. Starts easily with a smooth and torque 350cc motor. A very well handling machine with the norton road holder forks and the featherbed frame. A very usable classic thats not too heavy and great to ride. A fantastic investment.
