**1946 Velocette MAC  
NOW SOLD**

Engine Size: **350cc**

**£TBA**

Velocette MAC 1946 , Girder/ Rigid . This Example Is in older Restoration condition and still looking very well . Starts easily runs and rides very well too . These early girder fork " macs " are lovely to ride and are lightweight with low saddle height and are easy to manoeuvre .

A Lovely little well engineered machine and a very popular model . Good Investment.
