Engine Size: **750cc**

£TBA

Suzuki GT 750 1974 . This is a fully restored example looking fabulous in its green livery with gold coach lines and newly chromed parts .

Looks To Be very original. This is the later twin disc model which are great stoppers and are a benefit in today's traffic. Starts very easily on the button , Runs and rides extremely well too. It would be difficult to find a better looking example. Now Tax and Mot Exempt. Nothing to do on this machine , just press the button and go. Great fun and smell and a good investment.
