**1973 Triumph Daytona
FOR SALE**

Engine Size: **500cc**

£6,250

It's a 1973 Triumph Daytona T100R. It has matching numbers and comes with some history and a Triumph owners handbook and Haynes manual.

It was imported from the US in 1994 and I think restored then. It runs well (I went out on it today) and is taxed (free because of its age) and has a current MOT. Since owning it, I have had it serviced, fitted new tyres and had the front forks rebuilt.

As an older restoration, it is not concours but it looks good (gets lots of admiring comments) and rides very well.
