**1954 BSA D1
NOW SOLD**

Engine Size: **125cc**

£TBA

BSA Bantam D1 1954 This Example Is a very original plunger model , that's not been messed around with and has lots of original patina of its age .. no paint touch ups or upgrades and would make a great little ' riders bike ' It starts very easily and runs and rides lovely and being very lightweight is very easy to move around and manoeuvre on the road. A very easy to live with mechanically simple to maintain desirable model.
