**1953 Triumph 6T Thunderbird  
FOR SALE**

Engine Size: **650cc**

**£11,500**

Triumph Thunderbird 1953 650cc. This lovely example was previously owned by a very competent engineer who has looked after it for the last 17 years , so it's extremely reliable and in older Restoration condition with lovely Patina . Upgrades include remote oil filter and electronic ignition to aid reliability. The engine and Gearbox are strong and sweet and it has matching numbers.

It's in very original condition apart from the chromed lower fork legs and rear mudguard stays which don't detract from its overall lovely look .

As it's come from abroad the Speedo is in km per hour , which can be changed or marked up to mph if desired. As it's a rigid with sprung hub 650 6T ; a very desirable model that can be ridden immediately with confidence and is a good investment.
