**1939 Ariel Square Four
NOW SOLD**

Engine Size: **600cc**

£TBA

Ariel Square 4 1939 600 cc In beautifully totally restored condition and at great expense! Has covered 1100 Running in miles and looks beautiful in chrome and black with gold coach lines on the tank and black wheel centres and the lovely panel Tank with the instruments in. Has great oil pressure and starts very easily and runs and rides like a new machine ; see video.

This is a very rare Girder fork 600 cc example (though has a 1000 cc timing case cover) Also comes with easy to put on centre Stand. Has proved to be very reliable and has all correct frame and engine numbers and original Registration Number. It would be very difficult to find a better and more useable example. Ready to ride an enjoy!
