Engine Size: **650cc**

£TBA

Triumph 6T Thunderbird 650cc 1961. This T Bird in silver and Black has matching numbers and is all metal and in very presentable condition. Starts very easily , ticks over and rides very smoothly with plenty of torque. It came from an enthusiast and has been maintained in fine fettle. These Bathtub T Birds are very underrated and are very easy to live with and provide a very pleasant unhurried ride. This one also looks to be very original and a good investment.
