Engine Size: **650cc**

£TBA

BSA R.G.S Replica 650cc 1961. This RGS has an A10 Frame Super Rocket Engine Twin clocks Chrome guards and rims Goldie tank etc and was last set up and serviced by SRM . It's not concours as the previous owner is a rider and not a polisher so the paintwork on the tank could be redone but the chrome work on the tank is fine. Starts easily ticks over and runs and rides very well. All in all a great riders machine.
