**1952 BSA ZM 33
FOR SALE**

Engine Size: **500cc**

£5,600

BSA ZM 33 Not yet registered But built in or around 1952 In Drab Army green with extremely low mileage

This is now a rare model with the solid footrests and Army front and rear lights. It's in fine fettle , starts First Kick and runs and rides very well too. The last owner has said it's a delight to ride and can cover long distances and is totally reliable , so would make a great club run or Army reenactment machine. It would be very difficult to find another ZM 33 for sale and even if you did we doubt it would be anywhere near as good as this one! A very rare model and a great investment
