1959 BSA A10 Super Rocket – RGS Replica

BSA A10 1959 Super Rocket – Rocket Goldstar recreation, Bike came with a reconditioned DA10R engine, ground up rebuild with all the catalogue correct parts, from top BSA GOLDSTAR suppliers and dealers. (See attached details)

Built over a 5 year period, everything has been Replaced/Upgraded with genuine RGS replacement parts. Bike is currently in sports/touring spec. runs, looks and sounds terrific on the road, a real head turner.

Dread to think of total cost of recreation but well worth it. Only selling because age is against me (75yrs now) getting a bit heavy to kick over!

Changed from Clubman Spec, because of extreme riding position, Removed Clubman Parts available separately.

RKU714 is a transferable Registration

Good strong smoke free engine, smooth positive gearbox
