**1956 BSA Road Rocket
FOR SALE**

Engine Size: **650cc**

£TBA

BSA Road Rocket 1956 650cc. This early regularly ridden example looks very original bar the quieter iron head and open spring dampers. Looks lovely in black and chrome with twin clocks, chrome guards, and the correct Ariel hubs and Dunlop rims with separate chrome headlight. The last owner was an enthusiast and rode it regularly. Starts easily and runs and rides very well. A great rider's machine and much rarer than the Super Rocket. Sensibly Priced At £6450 .
