**1967 Triumph T120
NOW SOLD**

Engine Size: **650cc**

£TBA

Triumph Bonny T120 1967 650cc with matching numbers. Recently been striped checked and rebuilt so will need running in for a few hundred miles. Comes with lots of receipts proving what work was carried out. Easy starter and ticks over and runs and rides very well . Looks To Be very original apart from newer alloy rims and new spokes and prettier US tank. Looks lovely and sounds very sweet (see video) and has proved to be very reliable. This is one of the best years for the unit construction T120's and is a very good investment.
