Engine Size: **250cc**

£TBA

Kawasaki S1 250cc 1973. This very attractive example in Candy Gold was restored a few years ago and still looks lovely with more power than the later KH model and very attractive drum brakes . It starts easily Revs cleanly and rides well too. Very original with correct rims and tyres from new, also has its original engine and frame as confirmed by a Kawasaki dating certificate. Great looking bike good fun and a sound investment .
