FOR SALE**

Genuine BSA CB 32 1954 This lovely fully restored example is in immaculate condition with fully rebuilt 400 cc engine and electric start . The frame and engine are from the same year but not a matched pairing for a B31 . If that doesn't bother you then this could be for you as we've not seen a better one . Was totally restored by a very competent engineer who has now decided to part with it . Starts on the button ticks over and Revs fine and rides as it should ( see video ) Has RRT2 box with standard internals and all the chrome and Paintwork is flawless. Easy to start and live with and a good investment .
