**1976 Honda CB400 Four Cafe Racer
NOW SOLD**

Engine Size: **400cc**

£TBA

Honda 1976 mk 1 CB 400 four super sport special cafe racer. Complete nut and bolt rebuild in 2013. The frame is uncut unlike most cafe racers. Only used in dry conditions since the rebuild apart from a trip to wheels and waves bike show in southern France in 2016 ! This bike is very well looked after with loads of bills and history.

New front and rear wheel bearings, New fork seals and oil. The exhaust system is 4 into 4 straight through so it sounds amazing. The paint and styling is based on the Manx Nortons. All dials and switch gear is original 400 four and pretty much everything else bar the exhaust, clip ons and seat unit are original. There are a few tiny marks due to the amount of use. All in all an amazing looking and sounding work of art .
