Yamaha RD 400 C 1976 In Blue With Matching Numbers. This example is extremely original with the mag wheel option. Starts 1st prod and Revs cleanly with a very sweet sounding engine and it rides lovely too one key fits the Ignition and seat lock. For its age it's looking good though as not Restored has battery acid marks on the pipes and the odd ding in the front mudguard .. all normal ware and tear items that you could improve on if you wished , but still looking very presentable .. see photos and video. Now very sought after and a good investment .
