1956 Velocette MAC 350cc. This Velo is fully restored with rear sets and the bar have been reversed to give it a sportier feel. It also sound great with a thumping exhaust note! Start very easily and the engine sounds and runs very well. Retains it original Irish reg number as well as it old buff logbook (Reg: JZ 9218). Comes with a current V5C log book. A beautiful classic and a great investment!
