£TBA

1978 Honda CB400 Four. In excellent condition having been well maintained and cared for through out its life by all of the previous owners. Only two owners since 1987 and looks to have been restored in 1988. Starts on the button and runs great. These CB400 Fours are a very usable classic benefiting from electric and kick start and also a very good investment. This is a great example of the model at a Bargain price!
