FOR SALE**

Engine Size: **200cc**

£2,695

1978 Yamaha RD200. In very nice condition having been repainted and sports exhaust added, comes with the original pair also. Rides and starts as it should with a smooth revving engine. These light weight RD's are becoming very popular due to the fact many riders started off on these back in the 1970's. A great example and a fantastic investment.
