**1969 Triumph T120 Bonneville  
NOW SOLD**

Engine Size: **650cc**

**£TBA**

1969 Triumph T120 Bonneville 650cc. With matching engine and frame numbers. This bike is in very solid usable condition. Lots of room to improve and add value to the cosmetic condition as seen in the photos. All the parts look to be original and correct apart from the down pipes. Runs very well and sounds fantastic as can be heard in the video. The 1969 Bonneville is regarded as one of the best years being a late pre oil in frame model. A great investment and this one is a Bargain Price !
