**1977 Honda CB400 Four
NOW SOLD**

Engine Size: **400cc**

£TBA

1977 Honda CB400 Four In Red. A very presentable example as can be seen in the photos. Starts very easily and ideals intently with a very quiet motor. Comes with nearly all of its old MOT's proving the correct milage on the clock which is low for a 400 Four (30187). There is a dent in the tank which could be sorted to make this a very nice example. Ready to ride and enjoy at a bargain price.
