**1965 Pannonia T5
NOW SOLD**

Engine Size: **250cc**

£TBA

T5 Pannonia made by Csepel Works in 1965 on the island of Csepel, below the capital city of Hungary, Budapest. This iconic Eastern European classic was most common in Russia, due to the bike's excellent cold-start properties. -20C, no problem for this machine. This is not a fresh restoration, since then the mileage piled up to 11500km. The bike just got a reconditioned speedometer and brand new wires. Matching numbers. All paperworks are present to fully register. Customs done.

T5 is equipped with a 247cc single cylinder two stroke four speed engine producing 15hp. Double cradle frame, dual exhaust system, 6 volt electrical system, magneto ignition, 19" wheels, 150mm drum brakes, four speed manual gearbox, leather seat. Fuel consumption is 3.6 liters at a speed of 60km/h. Fuel tank holds 18 liters. Dry weight 143kg, length 210cm, seat height 92cm. Max speed 70mph, cruising speed 40-50mph. A copy of the service manual in english is available. Bike comes with its special flywheel removal tool.
