Engine Size: **500cc**

£TBA

AJS 18 CS 500cc 1954 Competition. The C was for Competition (Scrambles) and the S for Suspension (not a rigid rear frame). In restored condition, looked after very well by its previous owner. Starts easily and runs and rides very well. These competition models are rare and don't come up for sale very often making this a good investment for the future.
