1957 Velocette MSS 500cc. looks to be in very original condition and retaining its original registration number (WOD 437). The engine and frame numbers are also correct as confirmed by the original buff log book which comes with the bike. Comes with a good file of history which includes Old MOT's, Receipts for work carried out and some old tax discs. Starts runs and rides very well. A nice usable example which is ready to ride and enjoy.
