**1961 Triumph TR6R Trophy  
FOR SALE**

Engine Size: **650cc**

**£10,950**

1961 Pre-Unit Triumph TR6R 650cc . Looks to be in very good original condition or maybe restored at some point in the not too distant past . Comes with correct matching engine and frame numbers. This is an original UK bike that was first registered on the 01.011.1961. Starts well with very good compression, the engine is responsive and smooth running with great oil pressure. A very good investment and also a very good price!
