Engine Size: **650cc**

£TBA

1967 Triumph T120R Bonneville 650cc. US model with correct matching engine and frame numbers. Looks to be in very good all original condition with original dunlop rims. TT handle bars had been added which look great on these unit construction Triumphs. Will come with current UK log book once received by the DVLA. Starts first kick and sound very well as can be seen in the video. A nice usable Bonnie that's ready to ride and enjoy!
