**1976 Honda CB550F
NOW SOLD**

Engine Size: **550cc**

£TBA

Honda CB 550F Super Sport 1976 . The V5C says this is a one owner example and is in lovely blue and gold colour scheme . It's extremely original and has just been serviced which included a carb clean oils checked etc , with only 16753 miles from new . The original paintwork is lovely but the laquer on the top of the tank has peeled and we have a quote of £200 for a tank repaint , but we would leave it as it's only original once !

The engine starts on the button and ticks over very well and rides very well too . A great alternative to a 400/4 with more comfort and power . Tax and Mot Exempt.
