1971 BSA B25SS Gold Star 250cc. In great condition having been fully rebuilt a few years ago with lots of receipts confirming work carried out. Comes with matching frame and engine numbers. Some of the recent work includes an engine and gearbox rebuild which was carried out by RTS racing so will require running in. Starts easily and runs great, Ready to ride and enjoy. A very rare model and looks to be the only one for sale on the market currently. A fantastic investment!
