NOW SOLD**

Engine Size: **400cc**

**£TBA**

1978 Moto Guzzi 400 GTS. Looks to be in very good all original condition showing only 8632km on the clock, the tank and side panels have been repainted recently and has also been fitted with new tires. These GTS's look great with the original 4 in to 4 exhaust system. Like a Honda CB400 Four with electric start but with out the cam chain noise. A rare bike and very usable classic with disc brakes, electric start and indicators. Ready to ride!
