1934 Triumph 3/5 Sports OHV 350cc Twin-port. This is a very rare early sports Triumph and a beautiful example having been fully restored back to original spec some 10 or more years ago. This is a predecessor of the Tiger 80 . As you can see in the pictures and video it's still in lovely condition, starts easily and runs and rides very well , with nothing to do but ride and enjoy. The previous owner was the famous singer John Newman. Comes with VMCC dating certificate and current log book. Tax and Mot Exempt and great for VMCC runs!
