**1969 Triumph Tiger T100C  
NOW SOLD**

Engine Size: **500cc**

**£TBA**

1969 Triumph T100C 500cc. Matching engine and frame numbers with Triumph owners club certificate confirming this also. Rebuilt in 2005 and still in great condition. The engine was overhauled in the rebuild and still sounds great. The petrol tank has recently been repainted as can be seen in the photos. Comes with a good file of history and a break down off the work carried out in the rebuild. This is a fine example of the T100C model and is ready to ride. A great investment.
