**1972 Triton Classic Cafe Racer
NOW SOLD**

Engine Size: **650cc**

£TBA

1972 Triton 650cc Classic Cafe Racer. This is a fantastic looking Triton Made from a 1958 Norton wide line featherbed frame with Bonneville spec 6T engine. It was built by B Graver (believed to be a Triton specialist over in Great Yarmouth?) .

Parts include: Boyer ignition, Unity mudguards, Manx seat, Tomaselli clipons, oil tank, etc. I still have the fibreglass racing tank. Top end rebuild and rebore by Bowden Auto Engineering in 2010, Exposed spring Hagon rear shocks, 2005, LP Williams 7-plate clutch in 2011, New pair of Amal Mk1 carburettors installed 2012, TAB II Classics hand-made aluminium sprint tank, 2014, Fully rebuilt Roadholder forks (rebuilt by Normal Motorcycles - almost all parts renewed), with external springs from Chris Knight installed, 2014.
