Engine Size: **250cc**

£TBA

1978 Suzuki GT250. In very good mechanical condition having had lots of money spent on it over the last 2 years. This work includes: New, pistons, rings, re bore, rebuilt head, clean carbs and tank, new small ends, rebuilt brakes, newly sealed tank and more. Receipts add up to over £1100. Non registered but comes with NOVA confirmation and USA log book so won't take much to get a UK log book. A nice usable example with all the expensive bits sorted.
