£TBA

1977 Kawasaki Z1000 A1. Looks to be in very good original condition with only 25,933 miles on the clock. First registered in the UK in 1994. Runs and rides very well with a smooth engine as can be heard in the video. We have just had the bike check over and is ready to ride. These Z1000 are a great investment as the Z900 look to be drawing the prices up. A nice usable example and a great investment!
