**1958 BSA Rocket Goldstar Replica
NOW SOLD**

Engine Size: **650cc**

£TBA

1958 BSA Rocket Gold Star Replica 650cc. This is an excellent example of a R.G.S Replica, built with lots of original Goldie parts to make it look like the genuine article! In nice cosmetic condition with great bright work. Also in fantastic mechanical condition having had an engine rebuild with SRM parts 4816 miles ago. Other work includes: Timing side bearing, end oil feed, SRM oil pump. Belt drive primary and 12v electrics. Sounds great as can be heard in the video and starts first kick. Overall a very presentable example thats ready to ride and enjoy!
