FOR SALE**

Engine Size: **900cc**

£12,995

1975 Kawasaki Z900. In near mint condition having been fully stripped and rebuilt just over two years ago by the previous owner. This also includes a full engine rebuild. Now only 1273 miles on the clock since the restoration. First registered in the UK in 2017. Comes with year of manufacture certificate and current log book. Unfortunately there is no receipts for the rebuild. A fine example and a great investment!
