£TBA

1962 Norton 650SS. This is a very rare, original Blue example from the factory as confirmed by the Norton owners club factory records letter. Also has matching engine and frame numbers. Despatched to Dennis Parkinson 38 - 52 Ings Road in Wakefield on the 25th October 1961. Looks to have been restored in the past as in very good condition with original Dunlop rims. Has electronic ignition fitted. Starts easily and sounds great as can be heard in the video. This is a very rare bike and a great investment .
