**1960 BSA Super Rocket
NOW SOLD**

Engine Size: **650cc**

£TBA

1960 BSA Super Rocket 650cc. In very good condition having been fully restored about 10 years ago and only showing 160 miles on the clock. The engine was rebuilt with spitfire cams and SRM oil pump. With twin chronometric clocks and gold star front brake. Comes with lots of receipts confirming work carried out. Starts easily and runs great as can be seen in the video. With original engine, original transferable registration number and Dunlop rims, this is a great example which is ready to ride and enjoy.
