Engine Size: **650cc**

£TBA

1962 Norton 650SS. With matching engine and frame number, has recently been fully restored to a very high standard. With useful upgrades such as indicators and electronic ignition. Runs and rides great. The engine is strong and mechanically perfect as can be heard in the video. These 650SS are undervalued compared to their rivals of the time: The Bonneville £12K-£16K & RGS £20K +!. This is a fantastic example and is ready to enjoy!
