Other Info: US export model, returned to UK late 1990's. Has had full SRM engine rebuild inc 750cc big bore barrels and end feed conversion. Bike runs very well, I have owned and ridden it for 12 years and have full history file since its return to UK. Currently fitted with its original US "peanut" tank which is finished in psychedelic yellow and hi-level pipes, both optional on this US model. I have a dating
