Engine Size: **125cc**

£TBA

1951 BSA Bantam D1 Plunger 125cc. In excellent condition having been restored with its original parts at the beginning of the year. Starts first kick and runs well as can be seen in the video. Still retaining its original registration number (PPF 977). Comes with its original green card log book from new, Pitmans Motor cyclist BSA Bantam hand book and Old diagrams. A great example and also a great investment.
