**1937 Norton International  
NOW SOLD**

Engine Size: **500cc**

**£TBA**

Norton International OHC 1937 500cc Racer Project, Manx Parts, Cammy, Rigid, Inter, Roadholders.

1937 Norton international OHC engine with Manx head. It has been total Rebuilt and refurbished by renowned inter engine refurbisher Bernie Allen with BTH Mage attached. Engine Number: 78494

1937 International Rigid Frame ( Not 16H, ES2 ). Frame Number: 71953. Many people say the rigid frame was the best for handling as it would stick to the road and wouldn't skip about unlike the plunger garden gate frame. Recently powder-coated in gloss black.
