**1950 Vincent Comet
NOW SOLD**

Engine Size: **500cc**

£TBA

1950 Vincent Comet 500cc. This is a superb, all original matching example. Correct matching front and rear frame numbers, original engine with matching crankcase halves and also with original, transferable registration number (EFX 863). Also comes with its original buff card log book which also confirms the numbers to be original. First registered on the 30.09.1950 with only 3 former keepers from new!

The Condition of the bike is very good as can be seen in the photos. Looks to have been restored recently as the paint and bright work is in excellent condition. The front rim looks to be an original part from new. Starts easily with the decompression lever. This is a fine example and a very good investment!
