**1969 Kawasaki H1
FOR SALE**

Engine Size: **500cc**

£12,450

1969 Kawasaki H1 500cc. Gradually restored over a few years by an H1 enthusiast, with restored engine and gearbox, new bottom end and still on standard bores , new crankcase seals and bearings , new rims and spokes , refurbished forks , restored cosmetics including frame , tank and side panels ; all repainted , to bring up to a very good mechanical and cosmetic standard , together with electronic ignition system , new chain tyres and sprockets .

Starts very easily , ticks over well , revs cleanly and rides very well . Will make you grin on every ride out as has bags of character !

A real fun machine to own and ride and in lovely ready to go Condition. As a very early model a great investment .
