**1956 Velocette Venom Clubman  
NOW SOLD**

Engine Size: **500cc**

**£TBA**

1956 Velocette Venom Clubman 500cc. In superb order and having been gone through by the famous Geoff Dodkin who tuned the engine and stamped the engine with his initials and 2 digit build number to confirm it. Comes with Thruxton Seat ; Clubman fuel tank ; Thruxton oil tank ; chronometric rev counter and speedo and TLS front brake .

Starts easily and runs and rides a real treat. This example has been known by the Velo club since the early 1970's and comes with old Reg book from 1974 and current V5C. This is a rare example built by one of the best Velo tuners in the business. Lots of fun and a great investment.
