Engine Size: **350cc**

£TBA

1942 Ariel NH350 Red Hunter Rigid Trials. In very good condition having been well looked after by the previous owner of 12 years. Looks to have been subject to a ground up restoration in 2003 looking at the receipts in the file. It's been used as a trail bike and completed the Scottish 6 days trial in 2011. Start easily and runs very well. Ready to ride and enjoy!
