1938 Rudge Rapid 250cc. Looks to be a very original older restoration. Rare in its red colour scheme. Comes with its old buff card log book and original , transferable registration number(EOF 311)and current V5C. Starts easily and rides well, the engine sounds strong and mechanically quiet and tight , as can be seen in the video. A very nice example of a rare and sought after , lightweight , thats ready to ride !
