**1963 Velocette Venom
NOW SOLD**

Engine Size: **500cc**

£TBA

1963 Velocette Venom 500cc. In overall very nice condition . However it would benefit from having the mud guards and silencer re chromed , which would also add value .All parts look to be correct and original , including matching engine and frame numbers . Starts easily and runs and rides very well , with everything working as it should . A fine example and a great investment.
