1956 AJS Model 30 600cc. In excellent condition mechanically and aesthetically. Sympathetically restored four years ago; fitted with full flow oil filter and AJS paper element air filter, rack and indicators set in existing lights. Currently fitted with a '58 AMC gearbox (because it's superior to the original) but the original Burman 'box comes with the package. As an indication of its condition, it completed the 5000 Curvas Moto PistÃ³n Rally three years ago. Comes with Owners club certificate of authenticity. A lovely example and a great investment .
